To Whom It May Concern:

This is a letter of recommendation for Temmy Dimitrova who worked full time at Music First Agency from March 2019 - March 2020. Our company looks after the booking and management of a number of high profile DJ's and music producers who are based worldwide.

Temmy's role involved arranging all logistics for the roster (flights, hotels, driver's, visas), liaising with promoters to ensure all shows were advanced correctly, dealing with promotional requests and press queries as well as any other ad hoc jobs as required.

This was a varied and demanding role which required good communication skills, dealing with people in different time zones across the world, also in evenings and on weekends. Temmy was very dedicated and could be relied upon to ensure that there were no issues. She was also pro-active in seeking new press opportunities for our artists which was very beneficial.

I would have no hesitation in recommending Temmy for employment. Unfortunately due to the impact of Covid-19 on our business we were no longer to keep her employed at our company otherwise I'm sure she would still be doing a great job for us.
